

## **AUTO-PLAS INTERNATIONAL QUALITY POLICY**

**Since 1960 Auto-Plas International primary focus has been customer satisfaction and the maintenance of high quality standards throughout our goods and services.  
To attain this goal, employees shall support the commitments of our Quality System including:**

- **Continuously improving our products and processes through innovation**
- **Meeting or exceeding customer requirements**
- **Applying prevention rather than detection techniques**
- **Providing a safe work environment**
- **Minimising waste & maximising efficiency**
- **Maintaining competitiveness through market awareness**
- **Applying a 'can do' attitude to problem solving**
